givejedahand, **sebastianaddams**, **caminarformentalhealth**, **forepilepsysupport**, **grafiklabor**, **truelifecenterforwellbeing** and **veteranswithptsd** like this

givejedahand #Onebravenight one brave night at a #CAMHFoundation #CAMH #Fundraiser #CAMHunmasked #defeatdenial Johnny realized EVERY #corporate #yahoo thinks he can be a #mentalhealthadvocate - and he CAN - so long as he has a lot of money, a small brain, and a #BIG #COURAGE! So he can #stayup all not night, right?! O yeah! And #shorthair and a #badbarber can't hurt either! So if short hair turns you on..... #sunriseselfie

givejedahand Mikky liked it. anyway!
